# Do you look after a relative, partner, friend or neighbour who is ill, frail or disabled?

Do they depend on you to help them with everyday tasks?

If so, we are here to help carers and former carers cope with the mental and physical stresses arising from your role.

We know that when you're looking after someone, money is often tight and it can be hard to get out and do things. Carers in Bedfordshire have launched the Carers Discount Card to enable you to save money and do more.

## How to get your card

The card is available to unpaid carers and the discounts are offered on production of your approved card. The cared-for person does not need to be with you.

Foster carers and people who work in care homes or domiciliary services are not eligible unless they are also unpaid family carers.

If you are already registered with us, just phone in and we will issue a card.

If you are new to us, please apply online via [www.carersinbeds.org.uk](http://www.carersinbeds.org.uk) or fill out this application form and send it in to us along with a clear passport sized photo. But unlike passport photos, you can smile!

When we get your application, we will give you a call and register you for our services.

Your details will be held on a database and not be passed onto any other party.

Once you have registered, we will send out your card within 21 days.

You can view and download the discount directory at [www.carersinbeds.org.uk](http://www.carersinbeds.org.uk). If you do not have access to the internet please contact us on **0300 111 1919** or email [discountcard@carersinbeds.org.uk](mailto:discountcard@carersinbeds.org.uk) for a copy of the directory.

Carers in Bedfordshire was constituted in 2004 to help and support all unpaid carers of family and friends in the Bedfordshire area.

Carers in Bedfordshire is a network member of the Carers Trust, a national network helping and supporting carers throughout the UK. We are also affiliated to Carers UK.
