Carers in Bedfordshire is encouraging donors to undertake a sponsored skydive, arranged through UK Parachuting, to raise money for the charity. It is worth noting that different photo and video packages can be purchased through UK Parachuting as extras on the day (prices range from £99 to £135), these must be purchased on an individual basis and will not be part of the fundraising target.

By registering for the skydive, the participant agrees to the following:

- to raise a minimum of £500 in sponsorship for Carers in Bedfordshire *before* 17 June 2018
- to provide Carers in Bedfordshire a post-dated cheque (dated 17 June 2018) for £215

Carers in Bedfordshire agrees to the following:

- to cover the cost of the participant's skydive (£50 registration, £165 on the day)
- to return or destroy the participant's post-dated cheque once the minimum of £500 sponsorship income has been received by Carers in Bedfordshire
- if the participant has raised less than £500 total donation by 17 June 2018, Carers in Bedfordshire reserves the right to bank the post-dated cheque in order to cover the costs incurred.

Signed by the participant, agreeing to the above
