TRUSTEE OPPORTUNITY

Human Resources and People Management

We are seeking a trustee with senior HR, organisational development or employment relations experience who can provide strategic support and guidance to the Board and senior leadership team.

This trustee would play an important role in:

- Supporting the Nominations Committee with trustee recruitment, succession planning and board development.
- Providing strategic oversight on employment matters and workforce development.
- Advising on people policies, organisational culture and best practice employment standards.
- Offering an independent perspective on complex HR issues when required.
- Supporting the charity as we continue to develop and strengthen our workforce and leadership capacity.
